Foreword

We, the Seniors of Rosman High School, wish to symbolize our past twelve years of endeavors in the form of this yearbook. With the utmost of sincerity we hope it will be enjoyed by all of those who scan the pages between its covers.

As the future unravels itself before us, our footsteps will trod many different paths. But in the future, as at the present, we shall always feel sentimental as we reminisce the joys and sorrows of our high school days in this potentially priceless volume of the Oriole.

ALMA MATER

CLASS HISTORY

In the year of 1951 the patter of 88 pairs of little feet was heard through the halls of Rosman High School. Everyone turned to look at us, the frightened 8th graders. It was our first year in high school and our leaders for that year were Mr. Dwyer and Mrs. Hogsed. Although we were what you might call the "under dogs," we got along pretty good that year. Pattering on to the 9th grade, 4 of our girls and 2 boys made the basketball team. Some of our class mates dropped out that year but there were still a large number of us left. We dragged on through our Sophomore year giving teachers headaches and causing them to wonder——.

After a hilarious vacation we came back all set for a busy year only to find several more of our friends had left us for various reasons. Some had landed in the field of matrimony while others had made their footprints in other directions. Many exciting things happened to us during our Junior year. With the help of Mr. Dwyer, our Junior Play, "Headin' Fer the Hills," turned out to be a great success. There was much excitement the day we selected our class rings and calling cards. This made us realize we had only one step further to go in our High School Career. Before we finally entered our last year, we honored the 1955 Senior Class with the annual banquet, which was the "Last Round-up" before we bade them farewell.

Now we were ready to take our last step toward getting our diplomas. More students had dropped out leaving only 45. It was the largest graduating class Rosman had ever produced. One of the most exciting moments was when we finally received our class rings. We then set to work for our Senior Trip to Washington. This involved much hard work and time, but it was more than worth it.

Under the direction of Mrs. Hogsed, our Senior Play, "One For the Money," turned out to be as successful as our Junior Play. Then we were honored with the Junior-Senior banquet this year. It was very nice and meant a great deal to us all.

The last and probably the greatest footstep of all was receiving our diplomas. That event is something we'll never forget in the years and in our footsteps that follow.

The chief function by any student council is, or should be, practice and training in the essentials of good citizenship for all students in the school. Citizenship means the duties, responsibilities, and privileges of one who is a member of a free and democratic society.

"Four things a man must learn to do
If he would make his record true;
To think without confusion clearly;
To love his fellow man sincerely;
To act from honest motives purely;
To trust in God and heaven securely."

ALMA MATER

Far up in the Blue Ridge Mountains
With its skies so blue,
Stands our dear old Alma Mater
Proudly to the view.

CHORUS

Rosman, Rosman, our dear high school,
Orange and the Black,
May we always honor thee,
Alma Mater dear.
High school days are swiftly gliding,
Soon we'll leave these halls,
Friend from friend will then be parting
Answering duty's calls.
Tho' we all may wander far,
Ta her we'll be true,
We will ever live to love her,
Faithful friends we'll prove.
